There are three ways you can help!

**Pray** for the end of abortion, healing for post-abortive women and men, the conversion of those involved in the abortion industry, and for our state & nation that it will elect upright and moral leaders in November.

**Fast** for the 40 days on bread and water, desserts, TV, or anything that allows more time to focus on God and His Holy Will.  
Offer up the sacrifice for the unborn!

**Peaceful witness** at the clinics is very important. We urge everyone to pray 1 or 2 hours a week at the Concord Feminist “Health” Center. We need to be a holy witness for others so they may know the sanctity of human life.
